

## **Valley Vikings Baseball, LLC Sponsorship**

**Thank you for taking the time to consider sponsoring the Valley Vikings Travel Baseball Program. The Valley Vikings are located in Allendale, Michigan and are composed of local youth players. In 2023 the Valley Viking Baseball Program began with a 12u team and continued into 2024 with the addition of a 13u team. Our teams currently consist of players from Allendale, Hudsonville, Coopersville, Ravenna, Fruitport, Zeeland and Grand Haven. We are the only youth travel program at this time in Allendale and we are proud to continue to show off the talent of this area. The past two seasons have brought great success and great experiences for the players and their families involved with our program.**

**With the continued success of the past seasons, we have expanded the program by adding additional age groups to become part of the program. The 2025 season is set to have teams of 11u, 12u, 13u and 14u. Total anticipated player count for the 2025 season is approximately 50 players for our program. We firmly believe that youth sports continue to grow these athletes in ways that teach them far more than baseball. We are teaching them skills for lifetime success, and they are not cheap by any means. We rely HEAVILY on our sponsors to keep the costs down for our players' families. Harsh Michigan winters and sometimes even into the Spring do not offer outside practice opportunities here in Michigan. That said, local practice facilities are very hard to come by and come at a steep price. We continue to secure a spot for off season practice to ensure a successful season and partner with local training facilities to offer individual and team lessons.**

Sponsor contributions help to offset the initial expenses of planning and executing this program all year long. Contributions will be put towards indoor practice facilities costs (\$150 per hour of practice time), team uniforms, tournament entrance fees, etc. Additionally, this year we are offering any player who brings a sponsor A 20% credit of that sponsorship amount towards their player fees from each sponsor they bring to the program.

Please consider one of the following sponsorship level opportunities. If you choose to become a 2025 Valley Vikings, LLC Sponsor, we will be contacting you shortly to review your sponsorship. Thank you so much for taking the time to consider your partnership with us and Go Vikings!
